

## TRANSPORT SUNK IN MEDITERRANEAN

### FRENCH STEAMER TORPEDOED WITH TROOPS ON BOARD; 442 ARE REPORTED MISSING

PARIS, Aug. 13.—Four hundred and forty-two men are missing as a result of the torpedoing of the French Steamer Djennah in the Mediterranean the night of July 14-15, while bound from Bizerta to Alexandria with troops on board, according to an official announcement tonight. Four days later the French Steamer Australian also was torpedoed in the Mediterranean.

Still another steamer was torpedoed but remained afloat. The text of the communication follows:

"The Steamer Djennah belonging to the Messageries Maritimes proceeding from Bizerta to Alexandria with military passengers, was torpedoed and sunk the night of July 14-15. Four hundred and forty-two men are missing. On July 19 the Mediterranean Steamer Australian, belonging to the same company was torpedoed and sunk. Seventeen sailors were killed. Passengers to the number of 948 were saved. Three are missing.

"In the same convoy another steamer which was torpedoed was kept afloat.

"Numerous bombs were thrown at the submerged submarine."

**Report of Sinking Confirmed**  
PARIS, Aug. 13.—The French Transport Djennah of 3,716 tons has been torpedoed in the Mediterranean. A report of the torpedoing has been received from Berlin where it was announced and the report has now been confirmed here.

The Djennah was an old steamer built in 1875 at La-Ciotat. She was 397 feet long, 39 feet beam and 30 feet depth. She is registered as owned by the Messageries Maritimes of Paris and Marseilles.

### FAVORABLE REPORT ON MAN POWER BILL

Chairman Chamberlain Plans to Cut Short Senate Vacation Recess By a Week.

Washington, Aug. 13.—With a work or fight amendment designed to prevent strikes and a new provision for education at government expense after the war of youths under 21 serving in the military or naval service the administration man-power bill extending draft ages so as to include all men between 18 to 45 years old was ordered favorably reported today by the senate military committee. Chairman Chamberlain plans to report the bill next Thursday and to take up for consideration in the senate next Monday, cutting short the senate vacation recess period by a week.

The bill which was prepared under the direction of Secretary Baker is framed to enable the nation to increase its war program in accordance with an understanding reached with the allies. About 13,000,000 men would be registered under the new law and Provost Marshal Crowder estimates it will make available at once for military service 2,388,000 men between the ages of 18 and 29, and 32 and 45.

The work of fight amendment, accepted, was offered by Senator Reed of Missouri as a substitute for one presented by Senator Thomas of Colorado. It provides that "when any person shall have been placed in deferred or exempted class" he shall "not be entitled to remain therein unless he shall in good faith continue while physically able to do so to work and follow such occupation." Should he fail to do this he would become subject to immediate draft.

### INDUSTRIAL DISORDER.

Montevideo, Uruguay, Monday, Aug. 12.—Commerce and industry here are virtually paralyzed today as the result of a general strike growing out of the tramway strike which has been in progress for several days and has developed clashes between the workers and soldiers and the police. All business houses are closed, only a few cafes remaining open and no newspapers are being printed. The street railway service is at a complete standstill.

Another death as a result of the disorders was reported today. In some instances the mounted police, in controlling mobs, charged with their sabres. There has been some destruction of property.

### GOVERNOR LOWDEN ON INSPECTION TOUR

PEORIA, Ill., Aug. 13.—Governor Frank O. Lowden visited the Peoria State Hospital at Bartonville this morning on his annual inspection tour. He is traveling by automobile and left about 8 o'clock for Peoria to visit the school for feeble-minded children. He is going to Springfield tonight.

### FRUIT GROWERS ATTACK NEW RATES

File Complaint With Inter-State Commerce Commission Claiming Discrimination.

Washington, Aug. 13.—Public service commissions of Washington, Oregon and Idaho today filed complaints with the interstate commerce commission attacking the 25 per cent increase in freight and ten per cent increase in express rates as applying to fruit, vegetables, berries, and fish, shipped from the northwest. The rates are declared to be discriminatory and unauthorized under the law by which the government assumed control of the utilities. The commission is asked to set aside the rates and establish new rates not greater than formerly prevailed.

These complaints, it was said at the Interstate Commerce Commission were the first important ones opposing the new rates. Director-General McArdle said the rates are named as defendants in the freight rates case and that attacking the express rates names the American Railway Express company, the express combine established under governmental auspices. Both were filed by the commissions on behalf of several fruit growing associations in the northwest.

The increases on a percentage basis, it is contended, give fruit and vegetable growers in the middle west and east an advantage of the northwestern growers and "disturbs the relationship that has existed between competing rates." This advantage, it is alleged will destroy the industries in the northwest. Increases it is also charged, were not needed by the carriers or express companies.

### SEXTON MAY HEAD NATIONAL LEAGUE

President of National Association of Minor Leagues May Succeed J. K. Tener.

Rock Island, Ill., Aug. 13.—It was reported here today that M. H. Sexton of Rock Island, president of the National association of Minor League baseball clubs is slated for the presidency of the National league to succeed J. K. Tener, resigned. When questioned concerning the report, Mr. Sexton neither confirmed nor denied it, and would make no statement as to whether he would accept it if the post were offered him.

### FOREST RECEIPTS.

Washington, Aug. 13.—Receipts from national forest during the year ended June 30 were \$2,574,000, the forest service announced today. This was an increase of \$120,000 over the year before. It cost about \$4,000,000 to maintain the forests.

### ARREST DISLOYAL FARMER.

Pontiac, Ill., Aug. 13.—Enoch Roemer, a Woodford county farmer, was arrested today charged with making disloyal remarks regarding the United States flag.

### BULLETINS

AMSTERDAM, Aug. 13.—A dispatch received here from Frankfurt says that, despite the timely alarm given, several persons were killed and material damage was done, especially in the streets of Frankfurt during the British raid of Monday.

PARIS, Aug. 13.—(Havas Agency.)—Since the beginning of the Allied counter-offensive on July 18 the Allies have taken more than 70,000 prisoners and more than 1,000 guns, the Echo de Paris states today. In addition, it estimates more than 1,000 machine guns have been captured from the enemy.

PARIS, Aug. 13.—Lieutenant Allan F. Winslow of River Forest, Ill., was killed during air fighting at the end of last week. Winslow formerly belonged to the French escadrille, but transferred to the American army when the United States entered the war.

ST. LOUIS, Mo., Aug. 13.—Officials of the St. Louis Nationalists, in a circular letter sent to stockholders today, pleaded for a loan of \$50,000 to meet current expenses and tide the team over for the winter. The circular states the money will be repaid with interest. Approximately \$125,000 is still due Mrs. Helene B. Britton, former owner of the club.

AMSTERDAM, Aug. 13.—Emperor Charles of Austria with Baron Burián Austro-Hungarian foreign minister, Prince von Wedel, German ambassador at Vienna are expected at German main headquarters tomorrow to discuss all pending questions according to Berlin advices to the Frankfurt Zeitung.

### GRAIN SUPPLY.

New York, Aug. 13.—The visible supply of American and bonded grain shows the following changes:

Wheat	Increased 6,206,000 bushels.
Corn	Decreased 836,000 bushels.
Oats	Increased 670,000 bushels.
Rye	Increased 146,000 bushels.
Barley	Increased 77,000 bushels.

### BREAKS RECORD.

Chicago, Aug. 13.—Duke Kahalamoku, Hawaiian swimmer, starting at scratch, broke his own world record for the 120 yard swim in an event at New York, time 1:07 2-5, but lost to Clarence Lane, also of Hawaii. Miss Clara Gallagher, of New York, broke her own previous woman's American record of 31 minutes for the mile, making it 29:33 2-5.

### CHANGE BOUNDARY.

Washington, Aug. 13.—Nearly 28,000 acres of land are eliminated from the Lincoln National Forest, New Mexico by an executive proclamation announced today to simplify boundary lines and make available for farming purposes certain tracts found to be valuable.

### PONTIAC JURST DEAD.

Pontiac, Ill., Aug. 13.—Judge Robert R. Wallace, aged 83, a prominent Central Illinois notary and prominent Democrat, died here today. He served as a justice of the peace in Livingston county from 1873 to 1891.

### German Papers Perturbed Over Russian State

AMSTERDAM, Aug. 13.—The German newspapers show much perturbation over the situation in Russia as it affects Germany. "Inevitable fate is driving Germany toward a fresh state of war with Russia unless a remedy shall be found at the last moment," says the Vossische Zeitung of Berlin.

The newspaper describes the German embassy's flight from Moscow to Pskov as a "retreat from Russia" and continues: "A nation assunder by thousands and conflicts and weakened by revolution and civil war yet found the energy and enough unanimity to tear up the Brest-Litovsk peace treaty. This much is clear: the peace made at Brest-Litovsk no longer exists."

### GREAT BRITAIN RECOGNIZES THE CZECHO-SLOVAKS

Follows Similar Action By France and Italy

LONDON, Aug. 13.—The British government has issued a declaration formally recognizing the Czechoslovaks as an allied nation, and the three Czechoslovak armies as an allied force regularly waging warfare against the central powers.

Washington, Aug. 13.—Reports thru Berlin that Allied diplomats have demanded an explanation of a threat by Lenin, the Bolshevik premier of a declaration of war against the Allies are assumed here to refer to the action of American and Allied consuls in calling in a body Aug. 1 on Tschitcherine the foreign commissioner at Moscow.

The consuls after being told by Lenin that a state of war existed between Russia and the Allies demanded an explanation from Tschitcherine. They were told that the statement was not necessary; that it rather was a declaration of a state of defense similar to the situation existing at one time between Russia and Germany.

Powerful Triumvirate.  
Amsterdam, Aug. 13.—Because of the counter-revolutionary movement in Russia, the "second soviet congress" has placed the execution of power in the hands of a triumvirate composed of Premier Lenin, Leon Trotsky, minister to war and M. Zinovieff, an associate of Lenin, according to Moscow advices to the Rhenish Westphalen Zeitung. They have been given unlimited powers to take all measures necessary to gain victory in the fight of the soviet republic against its enemies. The advisers add that the leaders of the Kerevsky party who had been kept under strict Soviet observation have suddenly disappeared. It is believed in Moscow that they fled abroad.

### CONCLUDES TESTIMONY AT I. W. W. TRIAL

CHICAGO, Aug. 13.—After a four days' on the witness stand William D. Haywood, general secretary and treasurer of the I. W. W., concluded his testimony today at the trial of 100 officials of the organization charged with conspiracy to interfere with the government in its conduct of the war. H. J. Kane, Miami, Arizona, another defendant testified regarding the I. W. W. strike in the Arizona copper mines last summer and emphatically denied that the trouble was due to a desire of the officials to interfere with the government's war plans. Charles H. McKinnon, Goldfield, Nev., a brother-in-law of Haywood, and a defendant, related his experience in I. W. W. strikes in the various mining districts of the west. It is expected the defense will close its case by the end of this week and the case given to the jury within ten days.

### FORMAL ACCEPTANCES.

Washington, Aug. 13.—Formal acceptance by Germany of the American proposal for a conference on treatment and exchange of prisoners at Bern, Switzerland, the middle of September was transmitted to the state department today thru the Spanish embassy here. The German government already had accepted the proposal in principle and also no date had been fixed the United States appointed delegates headed by Minister Garrett at The Hague to attend the conference. Questions relating to interned civilians also will be discussed.

### AMERICAN FRUIT STEAMER TO FAST FOR SUBMARINE

Escapes Fate of Norwegian Steamship Sommerstead

(By The Associated Press)

**BULLETIN**  
WASHINGTON, Aug. 13.—The Steamer Henry S. Kellogg has been torpedoed off the New Jersey coast according to a report received late tonight by the navy department. No details were available but it was presumed the steamer still was afloat.

The navy department follows:

"The Steamer Henry S. Kellogg reported at 8 o'clock tonight that she had been torpedoed off the New Jersey coast. Whether any of her crew were killed, injured or lost, or the extent of the injury done, is not known at this late hour."

AN ATLANTIC PORT, Aug. 13.—Running at top speed, an American fruit steamer outdistanced a German U-boat off Fire Island yesterday morning and escaped the fate of the Norwegian Steamship Sommerstead which was sunk off that point about four hours later. Officers of the steamer which reached this port tonight said that the schooner's outrigger was seen towards them when she was sighted. The steamer's engines were pushed to the limit, they said and after a short while the U-boat gave up the chase.

Seven of Crew Land.  
Provincetown, Mass., Aug. 13.—The crew of seven men of the schooner Reliance, one of the fleet of fishermen sunk by a German submarine Saturday was landed here today. The men were picked up by another fishing vessel.

Cruiser Crew Rescued.  
Nantucket, Mass., Aug. 13.—The crew of six men of the sword fishing schooner Cruiser who were thought to have lost their lives when their craft was sunk by a German submarine off Georges Banks Saturday afternoon were brought in here today. They rowed for 180 miles in their dories before they were rescued.

Rowing away from the scene, the Cruiser's men saw the fishing schooner's outrigger on her beam ends. The crew of the Ontine had taken to a dory before their ship was shelled. According to the crew of the Cruiser, the schooner Old Time, previously reported as sunk while fishing in company with their vessel, was nowhere in their vicinity. They believe that the Old Time was confused with the Ontine which was sunk.

Is Painted White.  
Boston, Aug. 13.—Reports by survivors of fishing vessels sunk off the New England coast by a German submarine indicated today that the enemy craft had not been out long as some of its officers had endeavored to make it appear. The submarine is painted white. Two of the fishing fleet captains agreed that the bulk had been painted very recently and they said that it did not seem that the U-boat could have been out in American waters as far back as May.

The vessel was described as 300 feet in length with two guns six pounders mounted fore and aft. Survivors said there were at least 100 in the crew and that the captain of the prize crew appeared more Spanish than German. In several cases the commander of the U-boat told the American officers whose vessels were sunk that his cruising radius was 17,000 miles which would give him many miles to spare beyond a voyage from a German port to this side and return. All vessels destroyed were almost searched and every gallon of oil that might be used on the U-boat was taken.

### WITHDRAWS ORDER.

St. Louis, Aug. 13.—This rail road administration has withdrawn its order of six weeks ago suspending the bills of lading for exports after Sept. 30, according to a statement received here today. St. Louis manufacturers had protested against the order.

### \$750,000 FIRE.

Marion, Ark., Aug. 13.—Fire of undetermined origin early today destroyed 12 brick stores here and caused a loss estimated at over \$750,000. Lack of adequate water supply handicapped the firemen in fighting the flames.

### Germans Make Another Futile Stab at Fismette

WIT THE AMERICAN ARMY ON THE VESLE FRONT, Aug. 13.—(By The Associated Press) The Exchange of high explosive shells, shrapnel and gas projectiles on the front held by the Americans between Soissons and Rheims is taking place. Another ineffectual stab has been made at Fismette by the Germans. This occurred last night. Today has been comparatively quiet. The front and back areas of both sides along the Vesle are being reached by shell fire but there has been no alteration in the line. The Germans are digging in but not in such a manner as to indicate an intention permanently to stay where they are.

### FIRST AMERICAN FIELD ARMY HAS BEEN CREATED

Americanization of a Definite Portion of Front Completed

WASHINGTON, Aug. 13.—Secretary Baker was formally advised today by General Pershing that the first American field army had been created. General Pershing retaining command of the army as well as of the entire American Expeditionary Force for the present.

Formation of the army is taken here to mean that the Americanization of a definite portion of the front has been completed. Supply lines, railway, bases, storage facilities, debarkation ports and the like, created and operated by Americans stand behind the first army. The only statement of the location of the American front given is that it is south of the Marne. Presumably this means a part at least of the long line from St. Mehl to the Swiss border where American troops have been put in at intervals during the last few months.

The advice indicates that the army comprises five full corps which means approximately 1,250,000 men. The effect of the taking over the line is to make a definite beginning at apportioning the long front. The British hold the left flank, aided by the Belgians, from the North Sea to the junction of the British fourth army and the French first army in Picardy, where an offensive is being conducted at present.

In that position the British are not only holding their share of the line but stand between the enemy and the channel ports which would be his only road to England while the British fleet exists. The French armies, presumably are being concentrated wholly between the Picardy junction with the British and the Americans left beyond Verdun. They block the roads to Paris.

To the Americans will fall the remainder of the front to the Swiss border when the other American armies shall have been formed. The first army undoubtedly now holds the bulk of that line with such French help as is necessary. The whole line probably is under General Pershing's direct command even the French corps of divisions that are unnecessary until additional American troops arrive. The American commander will hereafter direct all operations on his front. He has as much freedom of action on his own lines as has Sir Douglas Haig on the British front or General Petain on the French front he stands on an equality with them. At three are under Marshal Foch for the major campaigns.

The American sector includes what always has been considered the logical road to Berlin from French advances. It was across lines now held by the Americans that the French struck in 1914 before the plunge of the German army thru Belgium into the war in northern France.

While the enemy is still in northern France it may be that no major attack can be attempted thru these gateways. The campaigns in Picardy and the Marne, are aimed at forcing him back until the opportunity comes to drive back at him and it is recorded by officers here that it will be over the American lines that the real thrust at Germany will be driven home.

### INJURIES PROVE FATAL.

San Antonio, Texas, Aug. 13.—Second Lieutenant Lawton B. Evans of Augusta, Ga., died this afternoon at the base hospital, Brooks Field, from injuries received when the airplane he was driving fell in a tail spin near the field yesterday.

### WAR SUMMARY

News of Activities On Various Battle Fronts in Summarized Form By Associated Press.

The strength of the German opposition against the allied troops from immediately north of the Somme river to the river just below Roye apparently has checked for the moment at least their march eastward in the process of clearing the Amiens-Montdidier sector of the enemy.

It has not however, prevented the French on the extreme southern end of the line from winning additional points of great strategic value in the hill and forest region between the Oise and the Matz, where Lassigny and Noyon are the ultimate objects and the capture of which not alone would result possibly in the forced evacuation by the Germans of the Noyon, Roye, Chaumes line but also would have a marked effect on the battle line running south-eastward past Soissons and thence along the Vesle river.

The battle line in the north and on the center remains virtually static. Monday, although all the allied troops have bettered slightly their stands and taken additional prisoners. The Americans and French at last accounts still were in the environs of Bray, north of the river, while south of the river the Germans continued in possession of Chaumes and Roye, which seemingly they intend to defend at all hazards. Fresh reinforcements and large numbers of guns have been brought up by the enemy to aid him in his endeavors to hold the line, which is essential to the safety of the German armies now in the pocket described by the Somme on the north and east and the Oise on the south.

The Germans are not merely on the defensive. Notwithstanding the enemy's efforts however, Chaumes is receiving a mighty visitation of shells from the allied guns and Roye has been so encroached upon that it is now under a heavy bombardment from both the north and south and seemingly both towns ultimately must be evacuated. An added danger to Roye is the fact that the French in their operations are knocking at the door of Lassigny, about seven miles to the south and also are pressing forward eastward toward Noyon. Not only is outflanking Roye but bringing Noyon daily near the range of the big guns. Unofficial reports are to the effect that the Germans fearing capture in the pocket between Roye and the Oise already are retreating along the Oise valley toward Noyon and if the statements should prove true it is not unlikely that the entire German battle line to the north will give way in unison and even there may be a readjustment of the enemy front from Soissons to Rheims.

Far to the north from Ypres to Albert there has been considerable activity on the part of the British and French forces against the German.

The latest German communication asserts that all the attacks were repulsed.

On the Vesle river the Germans in attacks against Fismette, which is held by the Americans and French are declared to have driven the allies to the southern bank of the river. A counter-attack, however, resulted in the re-occupation of Fismette.

### 'YANKS' TO INTRODUCE BASEBALL IN PALESTINE

WASHINGTON, Aug. 13.—Americans serving with the British army in Palestine are to introduce baseball in that country and present plans call for a number of games in Jerusalem between rival nine men units of these corps. Complete outfits for four teams were shipped from Washington today by the Clark Griffith Ball and Bat Fund at the request of the Zionist organization of America. The outfits will be delivered to the Jewish Legion for Service in Palestine, composed of Jews from this country serving with the British army.

### WEATHER INDICATIONS AND TEMPERATURES

Illinois.—Partly cloudy Wednesday with thundershowers in south and central portions; cooler; Thursday probably fair.

Temperatures.

The current, maximum and minimum temperatures as recorded Tuesday were:	
7 p. m. High. Low.	
Jacksonville, Ill.	81 101 73
Boston	86 90 62
Buffalo	80 80 74
New York	84 88 72
New Orleans	84 92 76
Chicago	86 93 79
Omaha	80 84 76
Minneapolis	80 80 76
Helena	74 74 42
San Francisco	60 62 54
Winnipeg	70 70 40

### FRENCH MAKE FURTHER GAINS ON PICARDY FRONT

Gain Control of Entire Massif of Lassigny

(By The Associated Press)

**BULLETIN**  
LONDON, Aug. 13.—Since the allied offensive began on the Montdidier-Amiens sector Aug. 8, the total capture by the French first army and the British fourth army have aggregated 28,000 men and 600 guns, says Field Marshal Haig's communication from headquarters tonight. The communication adds that Tuesday passed in comparative quiet on the battle front.

**BULLETIN**

LONDON, Aug. 13.—After stubborn fighting the French have repulsed a heavy German counter-attack on Lassigny Massif, according to the latest news received from the front today.

**BULLETIN**

PARIS, Aug. 13.—The French resumed the offensive today between the Matz and the Oise rivers, making progress to the north and east of Gury and thereby increasing the menace to the Germans at Lassigny, according to the war office statement tonight. Strong enemy resistance was unavailing to stop the attackers.

The text of the statement reads:

"During the day our troops resumed their attacks in the wooded region between the Matz and the Oise. In spite of strong enemy resistance we succeeded in making progress to the north and east of Gury. We have gained a footing in the park of Pleasier de Roye and reached Belval. Farther east we have advanced our lines about two kilometers to the north of the village of Cambronne.

LONDON, Aug. 13.—(By the Associated Press)—The French have gained control of the entire Massif of Lassigny on the southern end of the Picardy battle front, according to advices this afternoon.

This gives command of the town of Lassigny and the valley of the Divette, as well as the entire district to the north. The French gains on the Lassigny Massif already have forced the Germans to evacuate a long line of trenches in the valley on the Oise and are calculated to force further evacuations almost immediately. Noyon will come under the fire of the French guns as the artillery can be moved up. Then the road transports on the wheel network of highways around Noyon will become a difficult problem for the Germans.

The capture of the Massif by the French must inevitably have the most serious effect on the German positions over a wide area and this effect should begin to show within 48 hours. The Massif was the hinge of the old German positions in the whole Angle in the Noyon region and now that this hinge has burst the entire angle must yield to the relentless allied pressure.

In the opinion of experts here the evacuation of Roye may be expected within a day or two, for the town is now under a cross-fire. The abandonment of Roye by the Germans would also make Chaumes difficult to hold. The recent history on the Marne is counted upon to repeat itself on this new front.

In the region of Des Lodges, south of Roye, the French this afternoon are consolidating their line.

**German Plan Collapses.**  
With the French Army in France, Aug. 13.—(By The Associated Press)—After the battle of the Aisne the situation of the belligerents presents a change which for rapidity and extent has rarely been approached in military history. Marshal Foch's strategy and the mastery tactics of the generals commanding the armies and groups of armies under him have in three weeks wrested from the Germans what

Member the ASSOCIATED PRESS. The Associated Press is exclusively entitled to the use for republication of all news dispatches credited to it or not otherwise credited to this paper.

During the month of June the United States sent 92,173,000 pounds of bacon to her Allies. The American hog is doing his part.

Americans always did their own thinking but now more than ever, their thoughts are concentrated on the one idea—to win the war, and all other interests must be set aside until that is accomplished.

The State college of agriculture has issued extension circular No. 23 treating of the methods of increasing the wheat yield. It will pay you to send for it as it contains much useful information.

The Washington Post suggests that "instead of an asphyxiating gas, why don't the Yanks send the smell of fried onions against the enemy, and draw the furnished bodies out of the dugouts in spite of themselves?"

The National Security League declares that "if your present Congressman has the vision and statesmanship which enabled him to make a good record on preparedness and war measures, it is your duty to re-elect him."

The newspapers don't seem to have any very great love for the new zone system of mailing. The Pembiscott (Mo.) Argus says "All of the men responsible for the present zone law for newspapers should be given a chance to do penance in private life. We would suggest that each one be given the job of revising the mailing list of a hundred newspapers to conform with the new zone."

Mayor Rodgers is to be complimented for the feeling which prompted his resignation from the executive committee of the Red Cross association. Under the regulations of that association a candidate for position on a party ticket cannot hold official position in the society. The Red Cross represents a noble work and it must be kept free from even a suspicion of politics.

The country's direct appropriations for the fiscal year 1919 will amount in round numbers to \$19,000,000,000, and in connection with the direct appropriations there are authorized appropriations for the fiscal year 1919, \$24,000,000,000.

The country's direct appropriations there are authorized appropriations for the fiscal year 1919, \$24,000,000,000. We are becoming so accustomed to talking of billions that it seems like a trivial amount.

## THE BRAYLESS MULE.

A person who has spent any considerable time in Missouri, or any other mule-infested land can fully realize the remarkable victory achieved by the Portland, Ore., veterinarians who have succeeded in eliminating the bray from the mule.

If there's anything which will drive a pair of sensitive ears to long for total deafness it is that bray, loud and prolonged, beyond all things noisy.

But now the bray has been conquered. These Western horse doctors selected the mule, with the loudest bray in Oregon, and removed the cartilaginous wall in his nose.

Sets of ears after the effect of the anesthetic had worn away the mule attempted to bray, but without success. The amended noise was like a whisper. The removal of the wall frustrated all vibrations.

Great is the surgeon's knife!

## A GREAT WORK.

We are in receipt of a copy of the Magazine Carry On, devoted to the Reconstruction of Disabled Soldiers and Sailors. Attention is called to the following articles: Theodore Roosevelt—an appeal to the public.

Charles M. Schwab—the attitude of industry towards the handicapped soldier.

Judge Julian W. Mack—a terse explanation of soldiers' compensation and its relation to reconstruction.

Augustus Thomas—an inspiring story of geniuses who overcame their handicaps; by a leading American playwright.

Getting the Wounded Close to Home—an important plan suggesting the establishment of 15 great reconstruction centers in the military districts of the country.

The national response to the first issue of CARRY ON, made possible to a large degree by the co-operation of the press of the country, indicates a sharp interest in the care and rehabilitation of our returned wounded.

## GERMAN VICTORY OR GERMAN DEFEAT.

(Written by Celest Burgess for the National Security League.) Does "Might make Right?"

Does "The End justify the Means?" The victory of Germany will mean the re-affirmation of these pernicious medieval doctrines. Anything to win—torment, rape, slavery, robbery or violation of the fear of truth.

A new, satanic perversion of ethics will inspire the world. Farwell to conscience! Individual morality will be subservient to the ambitions of the

State. And national morality? Only the Will to Dominate.

No longer possible, henceforth, will be any national code of honor. Expedience and greed will rule, and all disputes will be settled by high explosives.

As did the Spanish Inquisition so the Kaiser's victory will turn back the hands of the clock of Civilization. Shrinking into the night of autocracy will go our aspirations for the Brotherhood of Man.

But the defeat of Germany! Hid in the future slumbers a splendid dream—our victory alone can bring it to pass—the League of Free Nations. Feudalism will end; monarchism at last will end. A new era of universal Democracy will bring a thousand modern reforms to fruition.

Already, between classes and between nations, the war has broken many ancient barriers down. Under its stress, operation is replacing the old social and economic evils of competition. The way is being cleared for a higher civilization founded upon Fraternity.

Victory over the Hohenzollerns will not only free us, it will free the German people. This human equality and humane relationship once assured, all war will henceforth be impossible.

Education by this struggle, united peoples will direct the enormous energies now so destructively used towards lasting, constructive ends beneficial to man. By then the world will be made not only safe, but happy, prosperous and idealized for Democracy.

## ALDERMANIC GOVERNMENT ORDERED BY PEOPLE.

The election held in Jacksonville Tuesday resulted in a victory for those who favor a return to the aldermanic form of government. The majority in favor of a return—334—is a very decisive figure when it is remembered that less than 2600 people voted upon the proposition. Those who visited the polls in the various precincts did not observe any special organized effort for or against the change. It was apparent, however, just as it had been during the days preceding the election, that there was quite a widespread feeling in favor of the change.

Discussing the question in all candor compels one to express the belief that a great many people did not vote upon the question of the relative merit of the commission form and the aldermanic form of government, but instead kept in mind their personal prejudice or dissatisfaction. But just what was or was not the motive makes little difference just now. Jacksonville will after May, 1919, have an aldermanic form of government, two aldermen from each ward, a mayor, treasurer, clerk and attorney elected by the people.

The cheering fact remains for those who believe in the commission form rather than the aldermanic, that it is possible to have just as good a government under one form as another. It is a trite old truthful saying that

a good municipal government is not a question of forms or methods but of men. There are a great many people in the city who believe that the most promising form of municipal government is found in the city manager idea and it would be a comparatively simple matter for a mayor and council to accept nominal salaries and delegate their work to others.

However, that is a matter for consideration months hence. For the present let us forget about the election and plan for united efforts in various phases of war work which will be at hand during the coming months. Next spring the affairs of the city can be taken up in an intimate and active way and let us hope—with the one thought dominating the people of doing the best possible for Jacksonville. At any rate, the voice of the people has been heard, the majority rules and the aldermanic form of government will arrive next May.

## MEMORIAL TABLET FUND IS BEGUN

Mrs. Myrtle Freeman Sends Five Dollars to Capt Swales to Start Subscription.

At the memorial service Sunday night a committee was appointed to arrange for a memorial tablet in honor of the Morgan county soldiers who fall in this present war. Mrs. Myrtle Freeman, daughter of Capt. J. M. Swales, of this city, noticed in the paper the action taken and has hastened to manifest her interest by sending a contribution.

Her loyalty and patriotism is a family characteristic. Mrs. Freeman, whose home is in Chicago, is now at Twin Lakes, Wis., and in a letter to her father said:

Twin Lakes, Wisconsin, Aug. 12, 1918.

Dear Dad:

I am glad to know that you offered that resolution at that big Memorial meeting in Jacksonville last Sunday evening in reference to building a memorial in honor of those who have fallen in France in this great war. It is a popular movement and no doubt will take well with the people of my old home, Jacksonville, and the entire county as well.

When you and other old soldiers down there started to build a monument for the veterans of the civil war I don't want you to forget that I offered the first cash contribution and now I am sending you \$5 to help build the memorial tablet you propose to build. I only hope the people of Morgan county will appreciate what you have done in the past, and are doing at this time, to help win the war for humanity.

We are having a delightful vacation this summer and our great regret is that you are not with us just as you were just about two years ago when you carried off the banner as a catcher of "blue gills" and other members of the finny tribe. You sure landed a lot of 'em.

Your loving daughter,  
Myrtle Freeman.

## "NOTICE"

As a patriotic move and the conservation of "Man-Power," my place of business will be closed at 6 o'clock on nights, Sundays and holidays, commencing Aug. 15th, except all Saturday nights, will be open until 10 o'clock. This will enable all parties wanting Ford Parts, Gasoline and Oils, to get supplies to carry them over Sunday. I trust that the public will show the same patriotic spirit, and will come before closing hours for supplies, as my doors will be closed at the time specified above. Respectfully,

C. N. PRIEST,  
The Ford Man.

## THIS DATE IN HISTORY

August 14, 1861.—Hon. John A. Logan was down in the Egyptian counties of the State raising a regiment for the war.

## THE METROPOLITAN GRAND QUARTET

Sat., Aug. 31, Sept. 1. No single type of musical attraction has added more to the enjoyment of audiences than the male quartet. It is a satisfying musical offering.

The Metropolitan Grand Quartet appeared on our program in 1916, and is one of the best American male quartets. Many consider it the very best on the chautauque circuit. It is a thoroughly good quartet and the organization that surpasses it, in the language of the street, "no some."

The four singers are men with great solo voices, who have been singing together long enough to do fine ensemble work. Their programs are varied and extremely popular.

Chautauque patrons who heard this excellent company two years ago will be delighted at the opportunity of enjoying it this year.

JACKSONVILLE CHAUTAUQUE, Aug. 23 to Sept. 1, Inclusive.

## HERMAN IS RECEIVING DAILY NEW FALL GOODS IN ALL DEPARTMENTS.

CORN PROSPECTS IN PIKE AND MORGAN

T. H. Buckthorpe, who was in Pike county yesterday, said last night that corn has been damaged a great deal more by the hot dry weather than is true in this county. In the river bottom the corn is not in as bad condition as on the thinner land of the hills, but all thru Pike county the corn fields show the severe strain of recent heat and weeks.

Frank J. Heintz, who makes a study of plant life, asked yesterday about corn conditions in Morgan county, took the hopeful view that corn generally has not been damaged nearly as much as now appears. This is especially true on rich black land, according to Mr. Heintz, and the prospects are for a fair crop, even tho' the yield is somewhat cut by the dry weather.

In Mr. Heintz's experience he has seen corn with the tassels apparently burnt, which later on after the coming of a good rain, fringed up in such a way that the crop return was satisfactory. The pollenization period, according to Mr. Heintz, extends thru more than two weeks and it is too early to consider that the Morgan county corn crop is anywhere near a failure.

Rev. James Russell of Hansen, Neb., is preparing for a visit with his sisters, the Misses Russell, on Park street and other relatives.

Dr. Edwards of Roodhouse was in Jacksonville yesterday enroute to Springfield to take examination for admittance to the medical reserve corps. Dr. Edwards is a brother of Virgil Edwards, the Greene county young man who recently lost his life on the European battle front.

CARD OF THANKS.

We desire to thank the neighbors and friends for the many kind deeds shown us after the falling asleep of our loved one.

Mrs. G. T. Litter and Daughters.

## GENERAL LAW FACTS GIVEN IN OUTLINE

Mayor and Eight Aldermen to Rule—W. N. Hargrove Favors City Manager—Finance Problems.

A reading of the Illinois statute indicates that when the aldermanic form of government goes into effect next May that a mayor and eight aldermen will control the affairs of this city. A clerk, treasurer and attorney will also be elected. The general law provides for two aldermen from each ward and unless the ward boundaries of this city are changed, eight will be the number of aldermen. There cannot be an odd number of aldermen from each ward unless minority representation has been authorized and on a population basis, this, as a city of 15,000, cannot elect four aldermen from each ward.

Eight Aldermen

On the population basis the city under the general law could legally have fourteen aldermen but as the law also requires that there must be an even number from each ward, and furthermore, as there are but four wards in this city, the number of aldermen to be elected is eight.

As already indicated, it would be possible by a vote of the people to provide for minority representation or interested persons might take the necessary steps to change the ward boundaries. It does not seem likely at this time that there will be any changes of the kinds mentioned and a council of eight, serving with a mayor, will doubtless direct the destinies of the city.

With a council so organized, unless Jacksonville breaks away from its traditional politics, the Republicans will be easily in the ascendancy and can be expected to elect a mayor and from five to aldermen.

Mr. Hargrove Not a Candidate

William S. Hargrove, who with Alexander Platt, took the most active part in the preceding discussion of the advantages of the aldermanic form, said last night that anybody who had the idea that he pointed, under the new form of government was entirely mistaken.

Mr. Hargrove said further that he believes the aldermanic form of government is much more representative of the people than the commission form, and that he believes that a mayor and council could be found willing to accept nominal salaries and to appoint one man to manage all the affairs of the city. If his idea should be followed out the city council would act as the legislative and advisory body and the executive department of city affairs would be in other hands.

Finance Problems

When the commission form becomes non-effective next May it will be after a period of eight years. The new aldermanic form will differ from the aldermanic plan previously in operation in that each ward will be represented by two instead of three aldermen. It is entirely too early to discuss the plans or policies of the next administration but the men in charge of city affairs at that time will face the problem of in some way taking care of the city's floating debt and of continuing the special city departments. So many cities thruout the state are in bad financial way that it seems entirely probable that some relief will come thru the legislature in authorizing the collection of higher taxes.

If this is done, city revenues can be increased thru taxation. Before the present council goes out of office there may be an effort to increase revenues by raising water rates and certainly the general problem of having this city's income keep anywhere near seven aldermen.

## CHAPIN

Mrs. William Brownlow is visiting relatives and friends in Beardsden for a few days.

John Tholen of Jacksonville was here on business today.

Miss Bernice Burrows of Winchester was visiting relatives here today.

Miss Margaret Edgar has returned after a short visit in Colorado.

Mr. and Mrs. Jeff Duckett and Mrs. William Stout motored to Jacksonville today.

Mrs. Orvil Dickens expects to leave Tuesday for Camp Taylor to be with her husband who is in camp there.

Dr. L. Smith and Arthur Perbix have returned after a few days in St. Louis.

## No One to Blame But Yourself

It is useless to complain. It is worse to be in a position not to know what you are doing. Every farmer should have a scale and thereby be able to know just what grain he has, just what gain his hogs or cattle make, and so put farming on a business basis. Know what you sell. Be your own salesman and buyer.

## The Buckeye Pitless Scales

The steel beam box is made of heavy galvanized steel, especially processed and is strictly rust-proof. Guaranteed 100 per cent more durable than wood. No warping, swelling or decaying. Always in perfect working condition. A fine compound or full capacity beam. The very best of material and workmanship. Every beam is sealed U. S. standard and is positively interchangeable. The bars are sold brass and brass faced, and are graduated from two and a half pounds to five tons. The best beam furnished with a scale at any price.

## The Buckeye Pitless Scales

The frame is solid steel and steel floor beams. It is extra strong and durable, and very easy to erect. Only fourteen bolts to tighten to set up entire scale. A double needle point bearing with self adjusting clevis makes the scales extra sensitive and positively free from any binding. Sealed at the factory with United States test weight, and positively accurate. The ball bearings eliminate wear on the knife edge. No hooks or loops to cause binding and therefore, inaccurate weighing. A scale we know is right and right is what we want.

## BURGLARS PILFERED CHURCH AT DURBIN

Took Number of Tools and Some Nails—Other News From Durbin.

Durbin, Aug. 13.—It isn't often that a thief goes to a church to pilfer but such was the case at Durbin the other night when a sneak thief broke the lock on the tool shed and stole a saw, hammer, brace, etc., as well as a new pall which he evidently filled with nails.

Winfield Scott left Tuesday evening for Carruthers Field, Ft. Worth, Texas, after a brief turlough at the home where he had been called by the death of his father, Sylvanus Scott.

Miss Rhoda Scott and Dawson Darley who are in Jacksonville hospitals are improving splendidly.

Mrs. Charles Lashmet continues very ill.

Henry Crowell of Chandlerville spent last week with friends here.

Rev. Edwin Gibson, of Hanover, Mass., will preach at Durbin next Sunday afternoon.

Roy Smith was a Springfield visitor Tuesday.

J. W. Grant spent Friday and Saturday in Peoria.

## ALEXANDER

Mr. and Mrs. F. J. Kalser spent Monday in Springfield.

Rev. J. A. Becker of Alexander charge preached at the Grace M. E. church Sunday. His subject was "What to Do With Care."

The 4th quarterly conference will be held at the M. E. church at Alexander Wednesday, August 14th. Rev. Ernest Fletcher, D. I. of Jacksonville will preach and hold the business meeting at the close of the service which will begin at 8 p. m.

Mrs. Will Young of Alexander is visiting relatives at Griggsville Illinois.

Mrs. E. C. James returned home Saturday after several days visit at Franklin.

Mrs. A. K. Mueller and daughter, Amelia of Alexander expect to visit friends at Jacksonville this week.

John Kumble of Alexander spent Saturday and Sunday with relatives at Jacksonville.

Miss Amanda Strubbe who has been employed at Kate's store is visiting at the home of Henry Strubbe near Jacksonville.

George and Harry Colwell, were shipping hogs to Chicago Monday.

Porter Corrington of Belleville, Ill., was home from Camp to spend Sunday.

Harold McGinnis and Lucile Mason spent Sunday in Alexander.

Mrs. Bridget Gaul and son Tom were called to Jacksonville on account of the death of Tom Hennessey.

Albert Rust of Alexander has a very serious case of blood poisoning, the result of a scratch on a baler wire.

## GIVEN WRIST WATCH

Through their foreman, Mr. Mastopietro, the employees of the coat shop at the Capps Mills presented their fellow employee, William H. Goegens with a military wrist watch as a token of the esteem in which they hold him. Mr. Goegens leaves Thursday morning for Northwestern university, where he will take a special training course. He is the seventh young man to enter the military service from this department, four being volunteers and four are already in France seeing active service.

## WABASH AGENT ILL

J. W. Marshall, ticket agent for the Wabash, went to the Wabash hospital in Decatur for treatment yesterday. Mr. Marshall has been feeling badly for some time and it is feared that he has typhoid fever. His many friends will hope for a speedy recovery. During his absence, J. E. Garvey, operator, will assist in the office work.

## NOTICE TO CONTRACTORS.

Sealed Proposals will be received by the Board of Supervisors of the Riverland, Levee District, at their office in Louisiana, Missouri, up to the hour of 2 o'clock p. m. the 26th day of August, A. D. 1918, for the furnishing of material and erecting a reinforced concrete sluiceway.

The Board of Supervisors reserves the right to reject any or all bids. For information address the Jacksonville Engineering Co., Jacksonville, Illinois.

## Social Events

**Homemakers Circle of Franklin Met Tuesday.**

The Homemakers Circle of Franklin met with Mrs. Martin VanWinkle Tuesday afternoon with a good attendance. The members answered to roll call with names of Army and Navy officers. Mrs. J. E. Sinclair presented a paper on "Our Navy." Current events were presented by Mrs. J. B. Sears and the "Elimination of Waste," was the subject of an interesting round table discussion. A social hour followed the discussion and refreshments were served.

## A Triple Birthday Celebration At Mrs. Arthur Ornellas.

Sunday last Mrs. Roy Martin, Mrs. Anderson Escorse and Mrs. Arthur Ornellas united in tendering at the home of Mrs. Ornellas a birthday dinner to their mother, Mrs. J. H. Henderson, and at the same time to Mr. McLain and Mr. Ornellas, as their birthdays were near at hand. About twenty-five relatives and friends were present and at the dinner hour a superb feast of fried chicken and other good things was enjoyed by the guests. Three birthday cakes were made by Mrs. McLain and Mrs. Escorse and the cutting of them caused a great deal of merriment. The entire occasion was greatly enjoyed by all present. The day was employed in social ways agreeable to all and they repaired to their homes wishing the three many returns of the happy occasion. Those present from a distance were Mr. and Mrs. Anderson Escorse of Beardstown and Homer Sevoss of Peoria.

## Strawn's Crossing Club Met With Miss McDonald.

The Strawn's Crossing club met with Miss Anna McDonald Tuesday afternoon with a good attendance of members. The members answered to roll call with current events. The program was omitted and the members devoted the afternoon to Red Cross work. A social hour was enjoyed and the hostess served refreshments. The next meeting will be held with Mrs. C. M. Coons Thursday, August 22nd.

## Orleans Country Club Met With Mrs. Stevenson.

Mrs. Clark Stevenson entertained the Orleans Country club at her home east of the city yesterday. There was a good attendance of members and Mrs. Drury presided. The chair appointed the program committee for the coming year as follows:

Mrs. Carrie Moeller, chairman; Mrs. Will Scott, Mrs. Welbourne and Miss Florence Cox.

Mrs. Mary Holmes read an interesting article on "Our Navy" by Secretary Daniels. The members answered to roll call with current events. A social hour followed the program and refreshments were served.

The next meeting will be held Tuesday, September 3, with Miss Matilda Richardson.

## DO YOUR OWN AUTO REPAIR WORK

Tools of all descriptions and plenty of space available at a very small charge. Auto mechanics are very scarce now—

FRENCH MAKE FURTHER GAINS ON PICARDY FRONT

Required four months for them to obtain at a cost variously estimated at from 700,000 to 1,000,000 men. The immediate results of the counter offensives which will have the greatest bearing on subsequent operations are the clearing of the Chateau Thierry pocket, ending the menace to Epernay; Paris; the liberation of Montdidier, ending the menace to Amiens; the freeing of the important railroad line from Paris to Chalons and the equally important northern line from Paris to Amiens, restoring to the allies means of communication which give them enormously greater ease in future movements of troops.

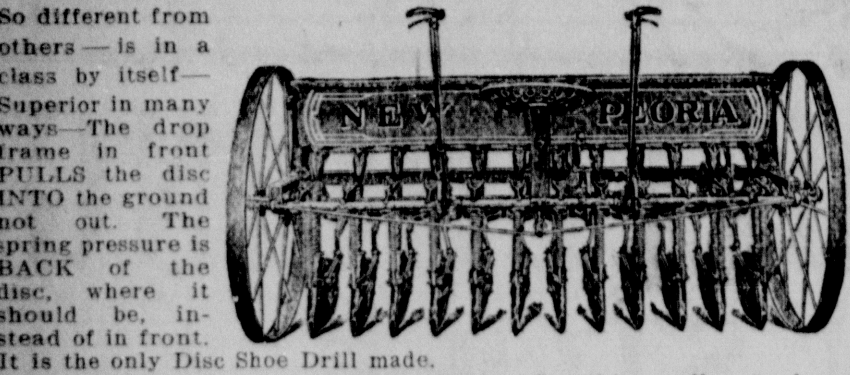

These successes render impossible any rupture of the line which would separate the French armies of the center from those to the east, or a rupture of the junction between the French and British. The most disastrous consequence to the Germans aside from the heavy losses they sustained in men and material is the collapse of their plan to drive wedges into the allied lines. Marshal Foch's strategy in reducing the salient wedges wrested the initiative in operations from the Germans at once obliging them to retreat.

The first phase of the battle of the Avre finds the French with a footing upon the plateau west of Noyon which has vital importance in future preparations. The Germans must either capture at high cost if he can or abandon Noyon, which means the fall of Roye and Lassigny which already are under imminent menace of capture. The disaster which menaced General von Hutler's army has been averted for the moment. The few narrow passages which now are open for the withdrawal of his stores are so harassed by the bombs of aviators and the fire of heavy artillery that prompt escape is impossible rendering

**The Program Nowadays Is to Save!**  
Grape-Nuts food fits in fine with this idea. No fuel required to prepare; no sugar needed; there's no waste; and the use of barley, in its making, conserves wheat.  
**Grape-Nuts** is economical, nourishing and delicious. Try a package.

The New PEORIA Drill

So different from others—is in a class by itself—Superior in many ways—The drop frame in front PULLS the disc INTO the ground not out. The spring pressure is BACK of the disc, where it should be, instead of in front. It is the only Disc Shoe Drill made.

See this small cut, showing exactly how it puts the wheat in the ground. The Disc opens the furrow, the Shoe holds it open until the wheat falls to bottom of furrow.

Come in and let me have your order for one of these drills.

I also carry a good line of Sulky Plows, Wagon Bends, Wagons, Steel and Wood Wheels and Pumps.

**P. W. FOX** South West Street, 1-2 Block South Court House, Both Phones

**Mark the Graves of the Departed**

Times change, but the custom of placing lasting monuments of stone or marble on the final resting places of relatives will always endure.

**MONUMENT WORK A SPECIALTY**

We offer you a most extensive stock of materials including Montello Granite. Our years of specialized experience in designing are at your service. The prices mean a saving of an agent's commission.

**JOHN NUNES** Ill. Phone 32; Bell 109 602 North Main St.

probable a desperate effort by the Germans to cling to the 1914 line. **Slow Down French Rush.** With the French Army in France, Aug. 13.—(By the Associated Press.)—Noon.—German forces have momentarily slowed down the rush of the French toward Noyon. The enemy is now standing on the old line west of Roye and Lassigny in which he stood from the autumn of 1914 to the spring of 1917. In this region the old fortifications and wire entanglements still remain. There was very sharp fighting yesterday on the heights of Thiescourt, particularly in Loges wood which was captured at noon after it had been drenched with gas. The division that carried the weds fought in masks all the morning. In the afternoon the Germans counter-attacked and re-occupied the woods. The task of the French in this region is extremely difficult as the Germans know the ground thoroly, have all the ranges and have brought up heavy guns to replace their enormous losses in field artillery. They also have massed machine guns in all of the numerous favorable positions they still hold on the plateau that protects the road to Noyon. The Germans stand there as vital. If this key to Noyon falls, the enemy's retreat would become difficult. The stabilization of the line on the Roye-Lassigny front is considered as the closing feature of the first phase of the battle of the Avre. The second phase awaits only the arrival of needed reinforcements and material. Reports from aviators state that the disorder on all the roads leading to the rear of the German front is undiscible. Every cross road constitutes an admirable target for the airmen.

Aviators, after serving to replace heavy artillery by bombing front areas are now aiding the infantry and cavalry. When these forces are stopped at machine gun nests airmen flying low, drive the gunners from their posts. Then the infantry or cavalry rush in and capture the guns before the enemy can resume fire. All thru the battle of the Avre the allies appear to have been masters of the air over the battlefield. Few Germans have crossed the line and of those not many have got back.

**Hold All Gains.** With the British Army in France, Aug. 13.—(By the Associated Press.)—Ground gained by the allied armies in the second battle of the Somme is being held by them everywhere today, altho they have been pausing for more than twenty four hours. The harassed and disorganized forces of the enemy have launched several counter-attacks it is true, but none of them have carried the Germans anywhere.

As a matter of fact the small, but nevertheless important local gains made by the allies north of the Somme river to say nothing of other successful minor operations for improving positions more than truly outweigh the extremely slight gains made by the Germans at a heavy cost at two points in the line.

Strong enemy concentrations have been reported between Roye and Fouquescourt, but so far they have done nothing, if really they are there for an offensive purpose. In the northern battle area, especially in the Bray region, new enemy defensive barbed wire has been found while earthworks are being constructed at several places behind the German line. Morlancoeur is being heavily shelled, while the enemy, with aerial bombs has apparently attempted to blow up the ammunition dumps he left in his hurry to get away.

British and French guns have been busy today pounding German rear areas and the crossings over the Somme. Enemy shells that are coming in are being fired at an extreme range, probably from well on the other side of the Somme. This is especially true of shells aimed at the districts south of the Amiens-Nesle

road. Between the Ancre and the Somme the operations of the British which resulted in a small material advance and the capture of enemy positions provoked only a scattered shelling from field guns. British airplanes continued to drop tons of shells on the enemy especially in the neighborhood of Peronne. Enemy transports are also suffering from the British bombers, one of them secured a direct hit on a transport train on the Ham-Nesleroad. It is now established that a giant Gotha with five engines which was brought down a few nights ago near Talmes, carried a crew of nine, all of whom were killed.

MURPHY WINS THREE OF FOUR RACE EVENTS

Driver Lands Chestnut Peter a Winner in \$2,000 Three Year Trot.

Philadelphia, Aug. 13.—Tommy Murphy had a field day at the second day's racing of the Grand Circuit meeting at Belmont track, the Poughkeepsie reinsman driving the winner in three of the four events on the card. The other race was open to Philadelphia horses only and went to Joker D. Lake in straight heats. Murphy landed Chestnut Peter a winner in three year old trot for a purse of \$2,000 without any trouble in straight heats. Murphy took the \$2,000 stake for 2:14 pacers in straight heats with Oro Fino which stepped the fastest heat of the day, 2:05 1/2 in the second heat. Murphy's third victory was in the 2:13 trot which went to Allan Watts in straight heats.

**Summaries.** Three Year Old Trot. Purse \$2,000.

Chestnut Peter, (Murphy) won; The Cossack, second; The Divorcee, third. Best Time 2:08 3/4.

2:14 Pace, Purse \$2,000. (Also Silver Cup.)

Oro Fino, (Murphy) won; Sam Hurst, second; Abe Buck, third. Best Time 2:05 1/2.

2:20 Trot, Purse \$1,000. Joker D. Lake, (Shin) won; Sarah H. second; Edna Owyho, third. Best Time 2:12 1/4.

2:12 Trot, Three Heats. Purse \$1,000.

Allan Watts, (Murphy) won; Dick Watts, second; Hollywood Noome, third. Best Time 2:08 1/4.

MORGAN

The weather continues very hot; have had light showers to lay the dust but not enough to be of any benefit to those who have stubble to plow.

Mr. and Mrs. Frank Brockhouse, Mrs. Maggie Moody and daughters Ruth and Esther were calling on relatives here last Monday evening. They made the trip in their new Volvo car.

Rev. C. Hougham and wife and daughter Lucille of Bloomington are spending a few days at the home of M. V. Hutches and visiting other friends here this week.

Miss Nellie Calaway of Decatur is visiting at the home of her parents, Mr. and Mrs. L. H. Calaway this week.

George Thomas Antrobus, Austin Moody, Gordon Swettart and Walter Williams returned last Tuesday from Mercedia where they enjoyed a week's outing.

Mr. and Mrs. Clyde Williams and daughter Margaret and son Charles and Miss Leta and Alfred Rahe attended the picnic at the Sears grove last Thursday.

George Coulson has been suffering for several days with an abscess on his gums. Last Sunday he was so much worse he was taken to Jacksonville where an x-ray picture was taken which showed the root of a tooth in the jaw bone. He was taken back to Jacksonville Monday when the root of the tooth was removed. He is very weak at this writing but it is hoped by his many friends he will soon be well again.

The grasshoppers are destroying all clover fields in this vicinity. Some of the fields had so much seed in the heads of clover that it was the expectation of the farmers to have a big yield of clover seed. Some of the fields are entirely destroyed.

DISCUSS SOLDIER RATES

Washington, Aug. 13.—Plans to grant reduced railroad fares to soldiers on short leave from camps are under consideration, but the railroad administration advised, Sen. Calder of New York today in response to an inquiry that it seriously objects to the step at this time because of the difficulty providing adequate transportation facilities for the increased travel. At present only soldiers on furloughs travel at reduced rates.

DENIES NEGRO'S APPEAL

Springfield, Ill., Aug. 13.—Acting on the recommendation of the division of pardons and paroles, Governor Lowden, today refused to grant the appeal of John Cloures, negro convict at Joliet for a commutation of sentence. Cloures is sentenced to hang on Friday for the murder of William Finlay another convict.

Every bank in Spokane is now employing women in departments which formerly were held sacred to the male sex.

EXETER

Roscoe Funk accompanied his sister, Mrs. William Bean to her home in Springfield where he will remain for an extended visit.

Dan Ratigan left Monday morning for the Great Lakes Naval Training Station.

Mrs. Henry Dunne was reported sick.

Quite a number from here attended the picnic at Sears Grove.

Miss Eunice Collins spent Sunday with Miss Nora Hopper.

Miss Velma Morris is visiting at the home of Mrs. Clifford Allen near Riggsport.

Kenneth Funk entertained a number of his friends Friday before leaving for the colors a few days later.

Miss Marcelle Beaver returned to her home in Springfield Saturday.

Carl Hopper and George Cox were Naples visitors last Sunday.

Mrs. Leo Bishop spent several days last week with Dr. Day and wife.

Elmer Beckman narrowly escaped a serious accident last Friday when his sleeve was caught in the threshing machine. The entire coat was torn off.

The centennial anniversary of the birth of Marie Mitchell, the famous American woman astronomer will be celebrated next month.

Mrs. Alice G. Leedy has been elected to represent one of the Brooklyn assembly districts in the New York State Democratic convention at Saratoga.

Being used by over three million people annually, it will increase the strength of weak, nervous, run-down folks in two weeks time in many instances. Ask your doctor or druggist about it.

DUBUQUE THREATENED WITH NEW STRIKE

Employees of Morrison Brothers Have Heavy Government Contract.

Dubuque, Ia., Aug. 13.—Dubuque is threatened with a new strike as the result of a meeting Monday night of the workers at Morrison Brothers and the Dubuque Boat and Boiler Works. Both plants have heavy government contracts. The men were addressed by a labor agitator named Smith, who called on them to demand better wages and working conditions. U. S. Marshal Moore appeared at the meeting later and warned the men to get rid of the strike idea, as they would be guilty of obstructing the work of the government in winning the war. The men, however, are said to be determined to walk out, the only matter in dispute being the number of hours notice to give the employers.

A conference of business men, union representatives and street car company officials is expected today to confer on the car strike.

MRS. LAURENCE GAVE BIRTHDAY PARTY

Entertained in Honor of Daughter—Funeral of M. E. Bennett Held.

Bluffs, Aug. 13.—Mrs. A. E. Laurence, assisted by Mesdames C. A. House of Springfield and Mrs. Floyd House entertained fourteen little girls at her home Saturday afternoon in honor of her daughter, Miss Opal's, birthday. The afternoon was spent in out-door games. At 5 o'clock the hostess served a dainty luncheon of two varieties of cake, ice cream and lemonade.

The dining room decorations were pink and white and presented a very pleasing appearance. The out of town attendants were Mrs. C. A. House and Miss Evelyn Laurence, Springfield, and Miss Helen Wade of Athens. Miss Opal received a gift from each of her little friends as a souvenir of the occasion and each wished her many more as pleasant birthdays.

The friends of Marie Mitchell gathered at her home at 1 o'clock Monday to pay their last respect to him who has gone from them to return no more. The funeral sermon was spoken by Rev. H. G. Vanderwort, pastor of the Christian church at Clayton of which church he was a faithful member after the remains were taken on No. 29 to Clayton where interment occurred. The bearers were Messrs B. M. Schneider, Hannibal, Mo.; H. S. Phillips, A. L. Bletcher, Charles Burnett, of Springfield; Otto Bosse and Fred McMurray.

Others attending from out of town were Mr. and Mrs. John Annis, Mesdames John Kennedy and James Gardner of Springfield.

HAZEL DELL

The light showers of Sunday morning afforded some relief from the hot weather.

The farmers are having quite a time watering their stock. One man pumps three wells dry every day and hauls water besides.

T. H. Stone's little niece of Beardstown is making them a visit.

Mrs. James Hutches entertained the Chapin Household Science club at her home last Wednesday.

Mr. and Mrs. Clyde Taylor and little son and Mrs. J. N. Taylor spent Sunday with D. H. Smith and family.

Gordon Southard spent last week near Mercedia with a party from Chapin, camping.

Mr. and Mrs. H. O. Smith were Bluffs visitors Wednesday morning.

Mr. and Mrs. Robert Sentney and little daughter, Florence spent Sunday with Herbert Dixon and family in the Point neighborhood.

The Chapin Household Science club met at the home of Mrs. James Hutches last Wednesday afternoon. The Hutches home is noted for its genuine hospitality and no one was disappointed on the occasion. Roll call was responded to by giving your pet economy.

Paper—Normal School by Mrs. Ellen Coultas.

Discussion—The Value of a Lobby.

Delicious refreshments were served. A social hours followed.

**GRIGGSVILLE**

Grace Anderson spent Saturday in Jacksonville with friends.

James Monta left last Thursday for Chicago where he has enlisted in the navy.

Miss Emma Cheesewright and Naomi Dunnaway of Springfield were week end visitors with the former's parents, Mr. and Mrs. James Cheesewright.

Mrs. John Heller had the misfortune to run a rusty nail in her foot, part of it breaking off. Dr. Loveless, the attending physician, had to cut the flesh to get it out. The families of W. O. Cunningham and P. C. Hall spent the past week at the Farran house boat at Valley City.

SPECIAL TAX LEVIED ON ALL PROFESSIONS

Professions With Few Exceptions in \$8,000,000,000 War Revenue Bill.

Washington, Aug. 13.—Special taxes of ten dollars a year on occupation of professions, except the war industry trades, farmers, teachers and ministers of the Gospel, were written into the \$8,000,000,000 war revenue bill today by the house ways and means committee. A similar tax was placed upon any business with receipts of \$2,000 a year or more with a levy of \$25 a year on wholesale houses with receipts of \$200,000 or more.

Secretary McAdoo will appear before the committee tomorrow to discuss the treasury's new plans for and excess profits tax based on rates in the present law, with an alternative war profits tax.

Newspapers, press associations and periodicals were exempted from the proposed ten per cent tax on the amount paid for leased telegraph and telephone wires in the pending \$8,000,000,000 revenue bill, after a vigorous fight by Representatives Rainey of Illinois and Lowmeyer of Ohio. It was amended so as to apply only to the stock brewers lines.

In addition to the ordinary duty of ten per cent of all jewelry sold at wholesale, the committee put on a ten per cent tax on retail sales of jewelry composed wholly or partly of platinum. This is designed to discourage such use of platinum during the war.

MISS HALE'S FUNERAL HELD AT GILLESPIE

Services Were in Charge of Elder Flannigan—Other News Notes.

Grace Chapel, Aug. 13.—The funeral of Miss Lena Hale was held at the Baptist church at Gillespie, Ill., Saturday, Aug. 10, at 11 o'clock a. m. The services were in charge of Elder Flannigan assisted by Elder Modlin. The pall bearers were six girl friends. The flowers were cared for by Mesdames Maria Braner, Nettie Franklin, and two Misses McPeat. Interment was in Gillespie cemetery.

Among those who attended the funeral from this vicinity were: Harry Braner and wife, Mr. and Mrs. Charles Braner, Claude Franklin and wife, Hannah Braner and son Nuell, Nellie Braner, Edna Loughary, Maria Mason, Sampson Hale and three daughters, Edith, Ethel and Summers, Mrs. Sarah Oreand Alice Alexander.

PERSONALS

William Rooney, wife and family are driving around in a new Ford which they purchased Thursday.

Raymond Rooney has been visiting the past week with his aunt, Nettie Hackman at Canton.

Harry Ogle and wife, Elmer Smith, wife and little son Harlan at Grandma Smith drove to Waverly Sunday in Mr. Ogle's Oldsmobile car to spend the day with Mr. and Mrs. John Stuart. Several of the other children of Mr. Stuart and their families were at home and all had a very pleasant time. Mrs. Stuart's condition remains about the same.

Bob Thomas and family of Sedalia, Mo., who have been visiting the past week with Oscar Bridgman strolled for their home this (Monday) morning. They drove thru in their car.

Nellie Braner spent Saturday night and Sunday with her sister, Lula Dawson of Jacksonville.

Miss Zella Benson who has been spending the past week with the Misses Alma and Edna Ogle returned to her home Saturday in Jacksonville.

Vinton Bourn made a business trip to Beardstown Monday.

Mr. and Mrs. M. O. Smith and nephews Clyde and Owen Smith went to Litterberry Sunday morning and then drove to Beardstown Sunday afternoon.

Clifford Wiswell and family visited relatives in Jacksonville Sunday.

Wall Mason was a Jacksonville business caller Monday morning.

Mrs. Cora Goodpasture spent Tuesday at the home of Wall Mason.

Grandma Smith went to Concord Tuesday to spend a few days with relatives.

PRIVATE PEAT

saw the great war from Ypres to Vimy Ridge. He has seen the evolution of the gas mask, the trench and the hand grenade. His right lung was blown out by a German explosive bullet and his right arm was paralyzed by the hail of lead that stopped his heroic endeavors to drag ammunition to the front line trench. His book has taken the country by storm. Whether describing the awful tension of the moments that precede "going over the top" or treating the humorous moments he is master of his subject and a genius of narrative style. He has done "listening post" duty, night picket duty, scout duty—all of the things that transform a volunteer into a seasoned soldier. He has lain for hours in a shell hole in "No Man's Land" crazed with thirst and delirious with pain. And he has come back with a smile.

He believes our boys are the finest fighters in the world. "An untrained Canadian mob of 12,000," he declares, "licked the Germans 120,000 strong with their gas attacks to boot. You have the same spirit and your lads will be perfectly equipped with every modern contrivance. When enough United States soldiers go over, Fritz is through."

Smashing, graphic, thrilling and humorous, Private Peat's war experiences have never been surpassed.

## EXEMPTION BOARD NEWS

The local board has designated W. D. Davis, secretary, as the chief of registration to have charge of all matters pertaining to the coming county registration. He will have as chief assistants, C. A. Boruff, county clerk, and Grant Graff, sheriff. About 2,000 men will probably be registered in the various precincts of the county it is very evident that there will be a large amount of detail work in connection with registration.

The local board has received an order from the provost marshal general construing the phrase, "persons in the military and naval service of the U. S." This shall be construed as including all officers and enlisted men of the regular army, the regular army reserve, the officers' reserve corps and the enlisted reserve corps; all officers and enlisted men of the navy; the marine corps and the coast guard; all officers and enlisted men of the naval militia, the naval reserve corps marine corps reserve and national naval reserve, recognized by the public health service commission under the act of Jan. 24, 1889, and any of the personnel of the light house service and of the coast and geodetic survey, transferred by the president to the service and jurisdiction of the war department or of the navy department.

Officers and enlisted men of the national guard and national guard reserve, not drafted into the military service of the U. S. shall not be construed as in the military service of the U. S. although their organizations may have been designated by order from the war department, to be drafted into the military service of the U. S.

Another order transmitted by the adjutant general reads as follows: "Under special authority of the secretary of war, the war department committee on education and special training was permitted to enlist thirteen commissioned officers of the army certain registrants for special training in camps and schools. Every such enlistment was for a limited period, expiring Sept. 16 next. Registrants presenting certificates of enlistment signed by commissioned officers of the army, should be held as in Class 5 until Sept. 16, after which date such classification shall be canceled and shall be inducted into military service as their pre-existing class and order number are reached."

**Soldier Boy Buried.**  
Rev. W. R. Johnson was called to Scottsville Tuesday afternoon to officiate at the funeral services for Private T. M. Van Bibber of that place who was killed several days ago by a train in New York City. Van Bibber was on furlough at the time of the accident and it is said was on his way home to see his folks. The services were held at 2 o'clock in the presence of a great concourse of relatives and friends.

**Strangers Married Here.**  
The services of Squire James Auld were called upon at the court house Tuesday morning to say the joyous words which made one George J. Reader of Shipman, Ill., and Miss Mary M. O'Rourke of Baylis, Ill.

**News Notes.**  
Ed Rohrig returned Tuesday evening from a business trip to St. Louis.

Mr. and Mrs. Jesse McLaughlin of Cerro Gordo, Ill., expect to return to their home Wednesday. Miss Marinda Coultas will accompany them.

S. O. Robinson was called to Palmyra Monday afternoon by the illness of relative.

Miss Dorothy Boylan and niece, Miss Dorothy Boylan of Jacksonville returned home Tuesday afternoon.

R. M. Riggs and family, Mrs. Sarah Metzler, Mr. and Mrs. Fred Neat and baby expect to leave on the Wednesday morning train to enjoy a vacation in Colorado Springs, and other western points.

Mr. and Mrs. M. A. Henderson have returned home after a week's visit in Naples and Baylis. Mr. and Mrs. Merton Abbott accompanied them home. Mr. and Mrs. Abbott returned home today accompanied by Miss Rhea Richardson.

Miss Frances Coultas, Mrs. Le Roy Pape and Miss Margaret Brengle were visitors in Springfield Tuesday.

## A TEXAS WONDER

The Texas Wonder cures kidney and bladder troubles, dissolves gravel, cures diabetes, weak and lame back, rheumatism and irregularities of the kidneys and bladder in both men and women. Regulates bladder trouble in children. If not sold by your druggist, will be sent by mail on receipt of \$1.25. One small bottle is two months' treatment and seldom fails to perfect a cure. Send for sworn testimonials. Dr. R. W. Hall, 2926 Olive St., St. Louis, Mo. Sold by druggists.—ADT

## MEREDOSIA BOY IN NEW JERSEY HOSPITAL

Lloyd Schroll in Service is Improving—Located at Camp Dix—Other Meredosia News.

Meredosia, Ill., Aug. 13.—Mrs. Lucinda Chambers has received news from her grandson, Lloyd A. Schroll stationed at Camp Dix, N. J., stating he had been operated on and was a patient at Lakewood, N. J. He was improving and spoke in highest terms of his physicians and nurses and that he was recovering. His many friends here hope for his speedy recovery.

The pupils of Miss Kate Babb gave a piano recital at St. John's Lutheran church Saturday afternoon and is spoken of very highly by those in attendance. Miss Babb has a large class here and is a teacher of ability as was shown in the recital Saturday afternoon.

Aug. 6	.....	6 11
Aug. 7	.....	6 9
Aug. 8	.....	6 8

Mrs. W. M. Koff and daughter Mabel of Beatrice, Neb., were the guests of Mrs. Mary Brockhouse Monday.

Mrs. James Bauser and children of Kampsville visited Mrs. Henry Rausch Monday.

Mrs. Elza Perry and children of Concord spent Monday with Mrs. Mary Brockhouse.

William Moss Jr., paid the sum of eleven dollars into the city treasury Monday morning for driving thru the park on the pavement the previous evening.

**SEEK ENTRANCE TO OFFICERS CAMP.**  
Wallace T. Hembrough left yesterday for St. Louis where he will take examination for entrance to the Camp Taylor officers' training school for artillerymen.

**RECEIVES COMMISSION.**  
Arthur A. Mendonsa, son of Mr. and Mrs. E. L. Mendonsa of this city, has recently been commissioned a second lieutenant in the quartermaster's corps, according to information which has just reached the city.

**ON FURLOUGH.**  
Elmer Nunes is here for a ten days' furlough from a camp near Chicago. He will spend the time with his mother, Mrs. Rose Nunes, 1046 Hackett avenue, and with other relatives.

## DEATHS

Brewer.

Mrs. Elsie Brewer died at the M. E. hospital in Peoria Tuesday morning at 1:15 o'clock, aged 65 years. Deceased was a former resident of Jacksonville. The remains will arrive from Peoria Thursday morning over the Alton at 9:45 o'clock and will be taken directly to Diamond Grove cemetery for burial.

Funeral services will be held in Peoria Wednesday afternoon at 3:30 o'clock from Winkler chapel.

McGhee.

Harry S. McGhee died at Passavant hospital Sunday morning at 8:45 o'clock, death resulting from injuries received by being kicked by a colt, near his home Friday afternoon.

Deceased was the son of James A. and Mohitabel McGhee and was born near Madison, Jefferson Co., Ind., March 9, 1871, being 47 years, 5 months and 2 days old at the time of his death.

When he was about 17 years of age, he came to Ashland, Ill., where he stayed for about two years. Then he came to Litchfield where he has since resided.

He was married to Nellie Hall of Litchfield, Ill., March 6, 1900. He leaves a wife, two sons, J. Russell and H. Floyd, and the following brothers and sisters: J. W. McGhee, Arcola, Ill.; A. T. McGhee, Cross Plains, Ind.; G. F. McGhee, Madison, Ind.; H. H. McGhee, Jacksonville, Ill.; Arthur B. McGhee, Indianapolis, Ind.; Mrs. Elsie Miller Nashvill, one sister and two brothers preceded him in death.

He was devoted to his family and home, was a good neighbor, and will be greatly missed in the community in which he lived.

Funeral services were conducted from Shiloh church Tuesday morning at 10 o'clock, in charge of Rev. H. F. Cude, a long time friend of the family, assisted by Rev. Mr. Wetzel. Music was furnished by Mrs. W. H. Crum and Miss Wilma Crum. The floral offerings were cared for by Mrs. Alvin Carpenter, Mrs. Cecil McGhee and Mrs. Irvin Patterson.

The pall bearers were Lee Mason, Thomas Strickler, Walter Long, Frank Dodsworth, Alvin Carpenter and Irvin Patterson. Burial was made in the Ebenezer cemetery.

## FUNERALS

Core.

Funeral services for Mrs. Mary A. Core were held from Grace church Tuesday afternoon at 2:30 o'clock in charge of the Rev. W. W. Theobald. There was a large gathering of relatives and friends to pay a last tribute of respect to the memory of the deceased. Music was furnished by Miss Cora Graham, Miss Beatrice Dye, W. W. Gillham and W. W. Wharton. The flowers were cared for by Mrs. Mathew Miller, Miss Florence Taylor and Miss Lottie Beasall.

Burial was in Jacksonville cemetery the bearers being, Elmer Beasall, Joseph Wood, William Wood, Walter L. Brown, Herman Strandberg and Arthur Taylor.

Greene county young man who resided in this city: new in a hospital at Oswego, N. Y. He was transferred there two weeks ago after returning from overseas. He enlisted more than a year ago in the engineer corps. Shortly after his arrival in France he was taken ill and has been in the hospital there nearly all of the time since.

**AT STUDENTS' TRAINING CAMP.**  
Wilbur Rogers, who is in the training camp for college students near Lake Geneva, has written his father, W. B. Rogers, that the work is progressing in a very satisfactory way. The training will continue for five weeks and at that time the young man will return as a lieutenant and with associates will aid in the military training work at the college.

## FARMS FOR SALE

A few of many that I have for sale: 170 acres, \$225 per acre, a good farm near R. R. station; 271 acres at \$150 per acre, two miles of a good live town and a dandy good piece of land; a good 40 acres at \$6,000. They are getting scarcer and higher. I have some real bargains in city property.

## The Twelve-Month-A-Year Kitchen Range

IF YOU use a wood or coal range it makes your kitchen too hot in the Summer; if you use a gas or oil stove, it doesn't keep your kitchen warm in the Winter. Two ranges are a waste of money, for the DUPLEX ALCAZAR gives you two kitchen ranges in one.

It is made in two types: one burns wood or coal and gas; the other uses wood or coal and oil. No changes necessary to use the different fuels singly or in combination. The DUPLEX ALCAZAR is always ready to do its part in cutting fuel costs, bettering cooking results and keeping your kitchen comfortable the year 'round.

THE DUPLEX ALCAZAR  
TWO RANGES IN ONE

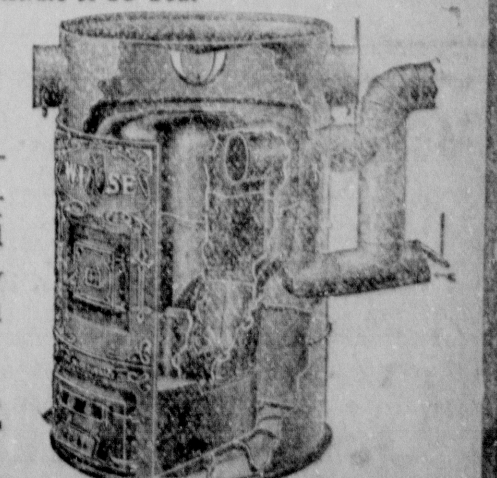

The variety of styles in which the DUPLEX ALCAZAR is furnished is great enough to fit every conceivable condition and need. It is made in steel, cast iron and porcelain construction.

Let Us Demonstrate It To You.

## WISE FURNACES

Furnace prices, like everything else, are advancing. We appreciated this fact and purchased a car early and can therefore make you a good price. Don't buy just any kind of a furnace; buy one that has been tried out by your friends and neighbors.

## WASHINGTON TAKES TWO FROM ATHLETICS

Johnson's Hitting Wins the First Game—Second a Pitchers' Battle Between Harper and Watson.

Philadelphia, Aug. 13.—Washington twice defeated the Athletics today, 5 to 3 and 6 to 1. Walter Johnson was responsible for the first victory. He cracked

## PRACTICE OF MEDICINE GUESSWORK

It has been said that the practice of medicine at best is simply a game of guesswork, because the action of drugs varies to a great degree upon different individuals, but when a medicine has lived for forty years, constantly growing in sales and popularity there can be no greater proof of its merit. Such a medicine is Lydia E. Pinkham's Vegetable Compound, that famous old root and herb remedy, now recognized from shore to shore as the standard remedy for female ailments.—Adv.

## LEMON JUICE TAKES OFF TAN

Girls! Make Bleaching Lotion if skin is sunburned, tanned or freckled

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best freckle, sun-burn and tan lotion, and complexion beautifier, at very, very small cost. Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles disappear and how clear, soft and white the skin becomes. Yes! It is harmless.

out a home run with Lavan on second in the fourth inning and singled with the bases full in the ninth inning scoring two runs.

In the second game Harper and Watson had a pitchers' battle for six innings but in the seventh Watson's failure to field his position opened the way for a rally by the Nationals who bunched six singles with a sacrifice and an error for six runs. The score.

## CUBS DIVIDE TWIN BILL WITH PIRATES

Win First by Ninth Inning Rally—Second Goes to Pirates 7 to 2—New York Takes Double Header—Other National League Games.

Chicago, Aug. 13.—Pittsburgh and Chicago broke even in a double header here today. Chicago won the first game 2 to 1 in a ninth inning rally, which started on Ellam's fumble of Mann's grounder. Pittsburgh won the second game easily 7 to 2 by bunting hits. Mollwitz and Boone were ordered out of the first game for disputing the umpire's decisions.

Five hundred soldiers from Camp Cody, N. M., who are quartered in Chicago temporarily witnessed the game. A collection amounting to \$182.50 was taken up to buy smokes for them, while they entertained by singing between the games.

## FROM COUNTY AGENT'S OFFICE

Soil Survey Begun in Morgan County—F. W. Wascher and H. F. Tuttle of Urbana, Illinois have arrived in town to begin work on the soil survey in Morgan county. These men will quite likely begin work in the western part of the county where there is timber and work eastward to the corn land. The work will be carried on here until the close of the season, which is generally about December 1st and will be resumed again next spring and so on until every part of the county has been reached. These men take samples of the soil and make soil maps. When the survey is finally finished, chemical analyses are made of these various types and methods of handling the soil are given through circular letters. Messrs. Wascher and Tuttle have just finished the survey in Macoupin county.

Farm Visits—The time of the county agent is given up this month largely to farm visits. During the last week farm visits were made in the vicinity of Orleans, Chapin, Sinclair and Alexander. For the rest of the week requests have come in for visits northeast of Chapin and west of Waverly. In some cases, the farm visit does not require a great deal of time, but in other cases, the farm is pretty thoroughly gone over and everything from soil improvement to the feeding of livestock is discussed. As a general thing, farm visits are arranged so as to include more than one farm in a locality on the same day.

Hog Cholera—Several minor outbreaks of hog cholera have been reported in various parts of the county. As far as the county agent knows the proper steps have been taken in every case to control this and, at present, there is no chance of a general outbreak. However, farmers are reminded that vaccination is cheap insurance and, that in view of the high price of hogs, it is not well to take any chances of getting by without vaccinating a bunch of hogs.

Damage to Corn Crop—An inspection of corn fields in Morgan county and adjoining counties shows considerable damage due to hot winds. The corn on the south and west side of the fields is the hardest hit. The damage is also much worse on the timber soil than it is upon the black prairie soil. When it comes to the matter of firing, the corn that was surface cultivated, is less badly fired than that which was ridged.

## ATTENDED FUNERAL IN WINCHESTER.

G. C. Rockwood and his sister-in-law, Miss Grace McLaughlin of Springfield, were in the city yesterday in Mr. Rockwood's car to attend the funeral of Mrs. Caroline M. McLaughlin.

Mr. and Mrs. Charles Stevenson of Little Indian were callers in the city yesterday.

## JOHN OSBORNE WILL VISIT IN KANSAS

Murrayville Man Goes to Visit Relatives—Other Murrayville News.

Murrayville, Aug. 13.—John Osborne went to Coates, Kans., Thursday to visit his sister, Mrs. Charles Harper and family. Mr. Osborne expects to visit several other points in Kansas before he returns home.

Miss Mary Langdon of Springfield, Thomas Langdon Jr., and family and William Lawless and sisters were Sunday guests of Thomas Langdon, Sr., and wife. B. Millard and family motored to Olney, Ill., Sunday for a visit with relatives.

C. K. Millon and daughter Miss Helen of Delavan spent Sunday with the former's mother, Mrs. Eliza Millon and family.

Mr. and Mrs. Charles Still and mother, Mrs. Annie Still, Mr. and Mrs. Fred Still and sister, Mrs. Mary Mason Sunday with Mr. and Mrs. Henry Dipples at Prouty.

John Murphy of Kansas City, and Miss Mary Murphy of Jacksonville are visiting their brothers, William and Charles Murphy this week.

C. A. Gunn is on the sick list this week.  
J. L. Solomon, George Bates, J. W. Wright and William Wade went to Arenzville Sunday after watermelons.

Mrs. A. M. Masters of Jacksonville spent Sunday with her parents, Mr. and Mrs. C. F. Strang.

Mr. and Mrs. Fred Still will occupy the house recently vacated by J. T. Berry and wife.

Mr. and Mrs. M. A. Douglas spent Sunday with their son John and family.

J. W. Gunn spent Saturday and Sunday with relatives at Waverly.

Mr. and Mrs. Terry Rousey

## Banish That Headache

Many persons suffer with backache every morning. They think maybe they have lain in a cramped position or else got a little cold. More than likely the backache is due to their kidneys, and the timely use of Foley Kidney Pills is just what is needed for quick relief.

Mrs. J. D. Miller, 601 Gifford street, Syracuse, N. Y., writes: "I suffered with kidney trouble and rheumatism. I had a severe backache and felt miserable and all played out. I bought some of Foley Kidney Pills and after taking two bottles, I can say my backache is gone, and where I used to lie awake nights with rheumatic pains I can now sleep in comfort. Foley Kidney Pills did wonderful things for me, and I recommend them to all my acquaintances and friends."

For backache, lame back, stiff swollen joints, rheumatic pains, headaches and nervousness due to kidney disorders, Foley Kidney Pills are quickly effective, tonic, and most satisfactory in results. Try them.—Adv.

and son Kenneth were Sunday visitors at the home of the former's parents, Mr. and Mrs. Charles Rousey.

## A GOOD SUGGESTION

A gentleman remarked yesterday that a fine opportunity exists in this city for a philanthropic individual to do something for his fellow men, or women in this case. Jacksonville surely needs a rest room, especially for ladies who come to town to trade. The city has no money for the purpose and the merchants of the city are already called for about every good cause afoot and should hardly be asked to do more. If only some one of our wealthy residents would provide such a place and endow it with funds for its maintenance it would indeed be a fine proof of philanthropy and be a monument which would be worth more to the giver than almost anything else.

Mrs. Charles Bashford of Griggsville was a shopper with Jacksonville merchants yesterday.

## NEW YORK MUSIC TEACHER

Says "Vinol Cures Chronic Coughs" New York City, 121 Nicholas Avenue.—"I teach piano and singing and when suffering from chronic coughs, colds and bronchitis, I use Vinol as I find it cures when other remedies fail."—Henry Albers.

The reason Vinol is so successful in such conditions, is because it is a constitutional remedy containing beef and cod liver peptones, iron and manganese peptones and glycerophosphates. It strengthens and revitalizes the entire system and assists nature to expel the disease. We know of many such cases. For sale by all druggists.—Adv.

## YOU MAY MAKE MORE MONEY BY READING THIS ADVERTISE-MENT THAN YOU MADE ANY DAY LAST WEEK

Higher prices mean you must buy more carefully. We like to deal with careful buyers.

Cast Range—used two weeks—price was \$42.50, We ask . . . \$23.75

### MRS. READ HEARD AT CAMP GRANT

Jacksonville Singer Is Received With Great Enthusiasm—Rev. M. L. Pontius Gets Market Attention From Men.

Rev. W. E. Collins, who is at Camp Grant in Y. M. C. A. work has written a Jacksonville friend of the remarkably successful work there of Mrs. Helen Brown Read, who has been singing for the soldiers for a week or more. Writing of her success, Rev. Mr. Collins said:

"At No. 1 building, where we have the melting pot of the camp, the boys went wild over her and repeatedly sent requests that she sing certain songs. At No. 7, with the colored troops taking every inch of standing room and with the windows black with faces, she swept the decks clean. Her voice carried to the men in all parts of the building and the men paid tribute to her in a magnificent response. Last night she sang for No. 2, where the men of the 86th division are quartered. One of our boys, Fred Stewart, is a lieutenant in A company of the 331st machine gun battalion. Here again Mrs. Read kept the boys on their toes while she sang. The Y. M. C. A. authorities are highly pleased and some of the secretaries have told me that she is the most adaptable singer that we have had. She is a credit to Jacksonville and has rendered exceptional service."

The writer also made reference to work which Rev. M. L. Pontius is doing. He said: "Mr. Pontius is getting the ear of the soldiers in a remarkable fashion. His messages, at all times strong and stimulating, have been received by the men with great enthusiasm."

**"NOTICE"**  
As a patriotic move and the conservation of "Man-Power," my place of business will be closed at 6 o'clock on nights, Sundays and holidays, commencing Aug. 15th, except all Saturday nights, will be open until 10 o'clock. This will enable all parties wanting Ford Parts, Gasoline and Oils, to get supplies to carry them over Sunday. I trust that the public will show the same patriotic spirit, and will come before closing hours for supplies, as my doors will be closed at the time specified above. Respectfully,  
C. N. PRIEST,  
The Ford Man.

David Geiger of Arenzville had business calling him to the city yesterday.

### BURGOO PICNIC AT MURRAYVILLE

Ladies Aid Society of M. E. Church Held Event in Park—Was Most Successful Program of Addresses and Contests Carried Out—Committees in Charge.

Murrayville, Aug. 13.—The annual burgoo picnic of the Ladies Aid society of Murrayville M. E. church was held in the park here this afternoon.

There was a large crowd in attendance and the event proved one of the most successful held in the history of the society. Three hundred gallons of delicious burgoo made by Bert Meyers was disposed of as well as 100 gallons of ice cream.

Rev. W. H. McGhee, pastor of the church was chairman of the day. Addresses were delivered by Dr. Walter E. Spooner of Jacksonville, Rev. Roy March, Rev. Edwin Gibson and Rev. Mr. Peters of Manchester.

A number of contests also were carried out during the afternoon. In the baby contest for the prettiest boy under 18 months the prize was awarded to Holland Ellis Walcox. The prize for the prettiest girl under 18 months old was awarded to Mary Ann Gunn.

The prize for the tallest man on the grounds was awarded to Dr. Walter E. Spooner. For the ugliest lady to Clyde Moffett. Prettiest girl under 16 years to Viola Travis. Largest family to Mrs. Maud Rimbey. Best looking married couple to Mr. and Mrs. John Boruff.

In a 50 yard dash for girls under 15 years, first was won by Lou Emma Wright.

Standing broad jump won by John McGhee.

Auto coming longest distance. The prize was won by Howard DeGano, who drove from Macomb.

The committees to whom the success of the affair was largely due were:

Program—Lulu Coultas, Maude Rimbey, Susie Carlson.  
Ice cream—Mattie Millon, Susie Carlson, Inez Sandige.  
Soup—Mrs. J. T. Warcup, Mrs. A. H. Kennedy, Mrs. S. B. Robinson.

### WOMEN'S REGISTRATION FOR WAR WORK.

As several times announced, there will be another registration of women for war time service next Saturday, August 17. The purpose is to register all girls who have become sixteen years of age since the last registration. An opportunity is also given to women who, from one cause or another, failed to register on previous registration days.

Illinois was one of the first states to organize women, thus taking an inventory of woman's skill and experience. The information secured thru representation is placed upon cards of uniform size and in a form to make it quickly available for state and federal government. Thru these cards women are offered 154 different opportunities for service, paid or volunteer. In the state of New York the enrollment of women for war work is compulsory. In Illinois and other states enlistment is voluntary.

While most women at the original registration had quite a clear idea of the importance of the work, they understand it the more clearly now. The war has developed the sense of responsibility and women are seeing not only the need for new tasks but also the need of performing other tasks with greater efficiency. As months pass there will be a still better understanding of the importance of the registration work. For doubtless many women will be called upon for active service of one kind or another. A conference of registrars is to be held tomorrow here and the work Saturday will be in trained hands.

### RETURNS FROM FORT BENJAMIN HARRISON.

Mr. and Mrs. Leonard Hill and Mr. and Mrs. Albert Hills of Lynnville have returned from an auto trip to Fort Benjamin Harrison, Indianapolis, Ind. They went to the camp to visit Adam Hills, whom they found in excellent health and spirits. Fort Benjamin Harrison is beautifully located and the men in training there are enthusiastic in their praise of the treatment they are receiving.

### MANY WILL CAMP AT CHAUTAUQUA

Space Has Been Reserved By Secretary Rice For Large Group.

The demand for tents at the chautauqua this year has been very active and nearly all of the tents have been taken. There are, however, a few tents still available which may be secured from the secretary, A. C. Rice. Among the tents already reserved are the following:

Mrs. E. G. Caldwell.  
Misses Hayden and Bowen.  
J. W. Brown.  
Mrs. Knapp.  
C. E. Williamson.

Sieman, Mr. Henry (first class parcel).

Patrons inquiring about these letters will please say advertised give date of list, and pay one cent each postage due.  
Ralph I. Dunlap, Postmaster.

WILL ASSIST IN FOOD  
ADMINISTRATION OFFICE  
Elmer Fitzsimmons is now assisting in the office of the food administration. M. F. Dunlap, county administrator, was pleased to make use of the services of Mr. Fitzsimmons, who is co-operating with Herbert Smith in attending to the many details of the office. The work of the food administration, because of many and changing rules, is arduous and there are questions coming up daily from all parts of the county. Mr. Fitzsimmons' long experience well qualifies him for the patriotic work in which he is now engaged.

NOTICE.  
Notice is hereby given to all owners of property in South Jacksonville to comply at once with Ordinance No. 19 regarding the cutting of noxious weeds in and about their premises.  
E. E. Beasall, Clerk.

### FROM COUNTY AGENT'S OFFICE

Soil Survey Begun in Morgan County.—F. W. Wascher and H. F. Tuttle of Urbana, Illinois have arrived in town to begin work on the soil survey in Morgan county. These men will quite likely begin work in the western part of the county where there is timber and work eastward to the corn land.

The work will be carried on here until the close of the season, which is generally about December 1st and will be resumed again next spring and so on until every part of the county has been reached. These men take samples of the soil and make soil maps. When the survey is finally finished, chemical analyses are made of these various types and methods of handling the soil are given thru circular letters. Messrs. Wascher and Tuttle have just finished the survey of Macoupin county.

Farm Visits.—The time of the county agent is given up this month largely to farm visits. During the last week farm visits were made in the vicinity of Orleans, Chapin, Sinclair and Alexander. For the rest of the week requests have come in for visits northeast of Chapin and west of Waverly. In some cases, the farm visit does not require a great deal of time, but in other cases, the farm is pretty thoroughly gone over and everything from soil improvement to the feeding of livestock is discussed. As a general thing, farm visits are arranged so as to include more than one farm in a locality on the same day.

Hog Cholera.—Several minor outbreaks of hog cholera have been reported in various parts of the county. As far as the county agent knows the proper steps have been taken in every case to control this and, at present, there is no chance of a general outbreak. However, farmers are reminded that vaccination is cheap insurance and, that in view of the high price of hogs, it is not well to take any chances of getting by without vaccinating a bunch of hogs.

Damage to Corn Crop.—An inspection of corn fields in Morgan county and adjoining counties shows considerable damage due to hot winds. The corn on the south and west side of the fields is the hardest hit. The damage is also much worse on the black prairie soil. When it comes to the matter of firing the corn that was surface cultivated, it is less badly fired than that which was ridged.

### ATTENDED FUNERAL IN WINCHESTER.

G. C. Rockwood and his sister-in-law, Miss Grace McLaughlin.

MEDILL MCCORMICK

on  
"America's Problem in the War"  
Saturday Afternoon, Aug. 24  
JACKSONVILLE CHAUTAUQUA  
Friday, Aug. 23, to Sunday,  
Sept. 1, inclusive.

Wanted—A good presser, one that can handle a machine. Apply at Schoed-sack's 230 East State St.

### FORMER RESIDENT HERE.

Mr. and Mrs. Oscar C. Teel, and daughter, Mrs. Fred Wells of Red Cloud, Neb., are visiting Mr. Teel's cousin, Mrs. T. S. Knudsen, who made the trip from Nebraska by automobile. Mr. Teel formerly resided here and was one of the four original mail carriers appointed when Jacksonville was placed in the free delivery class. He was compelled to give up the position to go to Nebraska for his health. He finds great pleasure in visiting here and finds many friends whom he knew when a resident in Jacksonville.

### A. C. BERRY A VISITOR.

A. C. Berry, formerly connected with the store of F. J. Waddell & Co., was in the city a short time yesterday renewing former acquaintances. He went hence to Red Cloud to visit friends and relatives there. He is connected with a large house in Lincoln, Neb., and has a fine position there.

### PROBATE COURT.

Of course you want to look your best on your vacation or outing. Everyone does. It is only natural. Besides it adds considerably to your enjoyment to know you look as well dressed as the other fellow.

We have made a careful study of your wants for these different occasions, and men usually come here because they know we are always ready with just what they want.

Silk Madras and Percale Shirts, attached and detached cuffs—short and regular sleeves . . . . . 75c to \$10  
Vestless Suits, Outing Trousers, Silk and Lisle Hosiery, Soft collars, Straw and Linen Hats.

WARDROBE TRUNKS, BAGS AND SUIT CASES

Spaulding's  
Clubs and  
Balls

# MYERS BROTHERS

Bathing  
Suits

### PARK BOARD HELD SESSION TUESDAY

A Number of Matters Were Discussed at Regular Session.

The park board met in regular session last evening with all members present except Mr. Gomes who is out of the city.

All approved bills were ordered paid.  
Mrs. Lillian Danksin was appointed official sanitary inspector of chautauqua grounds with instructions to see that everything was carried on and kept in a strictly sanitary manner.

Superintendent Schaefer was instructed to take charge of all duties pertaining to the park board during chautauqua week and to employ such assistance as he deems necessary. The chair was instructed to see the chautauqua board with reference to admission to the grounds of all help during chautauqua week.

The chair reported a correspondence he had had with the state board of health regarding purification of lake water at the swimming beach. The authorities didn't deem it practicable or desirable as the body of water is so large it will not need cleansing and is not foul at present.

The secretary was instructed to arrange with the city engineer man to remove the garbage from the chautauqua grounds daily and see that it is done properly.

The committee on monkey house was instructed to have a fence constructed around the building out of material owned by the park. Signs and recent arrangements are not enough to keep people from getting into danger.

The committee on diving boards had done nothing as Mr. Gomes, one of the members, had been absent from the city since the last meeting.  
Mrs. Weibel and Mrs. Hollinger were instructed to ascertain the prices of perennial flowers and possibility of setting them to take the place of those which have to be cared for especially in a warm place in cold weather.

All persons having iris, peonies, other perennial flowers and suitable shade trees which they are willing to donate the park are requested to communicate with Mrs. Weibel or Mrs. Hollinger or the secretary.

BOY WANTED  
with bicycle to deliver State Registers. Apply to The Book and Novelty Shop, successor to A. H. Atherton.

### FILES BILL FOR DIVORCE.

Hattie M. Card by her attorneys, Wilson and Butler has filed a bill for divorce with the circuit clerk against her husband, Merl C. Card. She charges desertion.

### VISITED STATE FAIR.

Sheriff and Mrs. Grant Graff accompanied by Mrs. Doc Graff and son of McLeansboro were in Springfield yesterday attending the state fair.

### AN HONOR TO C. N. PRIEST

He is Made Chairman of the Local Auto Dealers' Committee to Solicit Membership in the National Association.

A large number of automobile dealers have organized a national association for the purpose of protecting and furthering the interests of both dealers and owners. Now that there is so much legislation of all kinds regarding automobiles and all pertains to them it has deemed wise to organize an association whose duties shall be to safeguard the interest of the trade in every legitimate way.

C. N. Priest has received a letter from the National Dealers' Association asking him to accept the chairmanship of Morgan county, to select four assistants and make a campaign in the county to secure a many members as possible. The national association has asked the Chicago branch to appoint committees in 61 counties in northern Illinois and to secure 1,000 members for the national body. A good many Morgan county dealers are already members and it is the hope of Mr. Priest that nearly if not quite all will join. A pamphlet in the interest of the organization and stating reasons why dealers should join has been published.

### "NOTICE"

As a patriotic move and the conservation of "Man-Power," my place of business will be closed at 6 o'clock on nights, Sundays and holidays, commencing Aug. 15th, except all Saturday nights, will be open until 10 o'clock. This will enable all parties wanting Ford Parts, Gasoline and Oils, to get supplies to carry them over Sunday. I trust that the public will show the same patriotic spirit, and will come before closing hours for supplies, as my doors will be closed at the time specified above. Respectfully,  
C. N. PRIEST,  
The Ford Man.

### WILLIAM EPLER'S HOME DAMAGED

William Epler, formerly of Virginia and now of Lake Charles, Louisiana, is visiting friends at his former home. He has received word that a recent violent storm in Louisiana damaged his residence from \$500 to \$1,000.

### WILL GIVE FAREWELL FARE.

The employees of Jacksonville State hospital will give a farewell dance in annex chapel at the hospital Thursday evening in honor of Miss Rose Whip who has enlisted for Red Cross work overseas. Music will be furnished by Randall's orchestra. Miss Whip expects to leave about September 15th.

### REGARDING THE DUMPING GROUND

Some startling facts have been disclosed regarding the city's dumping ground and, of course, the matter should have attention and will have it. It is unfortunate that it is necessary to burn the material in order to get rid of it instead of transforming it into fertilizing substance for the land. In some parts of this country that is done and still more so in the old world. The sewers in Paris are a wonder. They are so large that they can be navigated by boats and a walk passes along one side. All kinds of devices are used to save all material that comes down. One man makes up the corks; another cares for the floating vegetable matter; another looks after the heavier deposits and so on and all is saved and carried into the country.

Berlin, the capital of Germany, runs its sewage into septic tanks and with the results reclaiming hundreds of acres of worthless land. Some time or other this country will have to come to greater economy in the matter of waste material and it is possible that even now some measures in that line would pay well.

Throughout Japan and China they have no water closets at all, all refuse being saved for the land or otherwise the soil would have been depleted long ago.

ALL SUMMER GOODS  
CUT DEEP IN PRICE FOR  
QUICK SELLING AT HERMAN'S.

### EXTENSIVE COAL MINING.

John Dunn was in the city yesterday making a few purchases for personal use. He is a pipe fitter employed near Shofor, nine or ten miles northeast of Jacksonville where the Standard Oil company owns 2500 acres of land, the coal rights to which they are leasing to mining companies. One mine shaft is sun and another is going down. He says they have seven to nine feet of coal under the land and the coal is of a good quality. A new town is being laid out in the immediate vicinity of the mine. One of the latter is on a branch of the Northwestern railroad and to the other the Chicago and Alton is constructing a side track or spur.

Wages paid are very fair. The mine sinkers get six dollars a day of eight hours; common, unskilled laborers 45c an hour and no work ten hours if they wish. Mr. Dunn gets \$5.60 a day and board. Good board costs seven dollars a week. Miners get good pay according to the schedule adopted by the employers and the union. The time may come when it will pay to mine the thirty inch vein under us, but it seems hardly to be here at present.

### \$25 REWARD

I will give \$25 reward for the arrest and conviction of the person who entered my barn Monday afternoon and took a halter and chain.  
J. A. BROWN.
